NEW LED LIGHTS for Lovely Lane: All our florescent lights have been replaced with new energy-efficient LED tube lights. The savings in utilities should be very significant! If you still use florescent bulbs in your home, please help yourself to some of the newer bulbs and ballasts in the Narthex!

HOW DOES IT LOOK? We have new 4000K LED bulbs in the Narthex and 5000K LED bulbs in the Kitchen and Fellowship Hall. Please let our staff know how you like the look of these rooms with different light colors.

BLUE ZONE SAYS...Do something kind for your spouse, partner, or friend—send a message or share a treat, for example. One small act of compassion can strengthen your bond with your friend, spouse, or partner. The person on the receiving end will feel loved and showing kindness will also make you feel happier.

CHILDREN'S CHOIR ACCOMPANIST NEEDED! We welcome a volunteer pianist to accompany our Sunday School children's choirs and work with their director, Carla Jesse. Music is easy to moderate and lots of fun! Children's ages range from PreK-5th grade. One choir rehearses 9:15-9:40 AM and the other 10:45-11:10 AM. Both perform quarterly during worship at either 9:15 or 10:30 AM worship. Please sign the STUB if you're interested or have any questions, OR contact Pastor Gayle.

SACK LUNCH PACKING PARTY TODAY!

After worship, we will pack around 66 sack lunches for residents at the Willis Dady Shelter and the Men's Mission of Hope Shelter! (The Women's Mission of Hope Shelter has not yet opened.)
Thanks to those who signed up-we have plenty of great volunteers!

CPR & AED REFRESHER: Health & Wholeness is sponsoring a Family CPR & AED refresher on Sun., July 17th, at 10:30 AM. The demonstration will be led by Rose Hedges, RN, MSN from Unity Point Health. This will be a time to learn a simple and effective method to use CPR. (*It's not a certification for CPR and is not approved by the American Heart Association.*) Please sign up on the STUB to participate!

If you have any questions, call Nancy Miller (393-6340).

STEP 2 - THE MORTGAGE: With \$120,000 for the roof already in hand and the contract signed, we also made excellent progress on our 2nd goal this week. Our mortgage last week stood at \$281,136.97; we were able to send in an extra payment of **\$36,061.09** bringing our mortgage down to **\$245,075.88!** That represents a whole year's payment! **Praise God!!!**

GEAR UP FOR A LOVELY LANE BIKE RIDE: Our Summer Adventure Team picked next Sun., July 10th, for a bike ride for all ages of our LL family. The bike ride will follow the very safe **Cedar Valley Bike Trail**, starting at 1 PM from Sokol Park near Czech Village. We'll ride south as far as 45 mins. takes us with water/rest stops at Tait Cummings Park (2.6 miles) and Ely Rd. Park (5.5 miles). Just be back at Sokol Park by 2:30 - that's when the fun, games, and cold watermelon will show up! We'll finish up by about 4:00 PM. Sign up on the STUB. Helmets required!

Vacation Bible School 2016

We are still collecting items for our upcoming VBS - *Surf Shack: Catch the Wave of God's Amazing Love*. To help, please check the chart board in the narthex to see what's needed and then write in what you'll provide!

Please also pray for VBS teachers and kids - that it be a blessed experience for all. *AND*, if you'd like to help teach or help in the kitchen, you can still sign up on the STUB!

It takes the hands and help of MANY volunteers to put on a successful Vacation Bible School!!

THE FORTÉ HANDBELL QUARTET IS COMING!! Forté is bringing their amazing music to LLUMC on Monday, July 18th, @ 7 PM. Their program is "Rethink Possible" and this young and engaging 3 men/1 woman quartet performs a broad range of musical styles including many not often performed on handbells. Get ready for a great night out! A free-will offering will be taken.
