PRAYING OUR WAY FORWARD: General Conference Special Session meets Feb. 23-26 '19 to vote on how our United Methodist Denomination will Go Forward concerning the issues of LGBTQ church weddings and ordinations. The Council of Bishops has proposed a way that allows for contextual differentiation, i.e. for individual churches and pastors to make their own choices while staying as a connected denomination. Bishop Laurie has asked us to Pray Our Way Forward so we might be One in Christ. **Please set aside 4 mins. daily from now until Feb. 26** to PAUSE AND PRAY for our church's mission and way forward. **Pray between 2:23-2:26 AM or PM, if possible, OR any other time.** You might spend 1 minute praying in each category: #1 Adoration of God, #2 Thanksgiving, #3 Confession, #4 Asking for the Holy Spirit's Guidance. Thanks!

SOUTHWESTERN ADVANTAGE HOST FAMILY PROGRAM: Each summer, 2,000 college students run their own

business selling educational projects to families to help offset their school expenses. The students locate to another community (sometimes another country) for the summer and become part of the community. The program needs to add host homes to those already on their database. Host homes are preferred over hotels or apartments to keep expenses low and for extra safety. Students usually live together in groups of 2-4 depending on the accommodations of the host and the location as to where they'll be working. Contact Rita Streater (888-551-5901 or rstreater@southwestern.com).

Special Offering on July 22nd - Cedar Valley Habitat for Humanity

CVHH has been and continues to be a leader in bringing our community back from the devastating flood of 2008.

Habitat offers a hand up to area families in need of safe, decent, and affordable housing. Using volunteer labor and zero-interest mortgages allows Habitat to serve first-time homeowners who wouldn't typically qualify for conventional financing. Qualified applicants become full partners in building or rehabilitating their future homes with Habitat sponsors, volunteers, and other community stakeholders!

Habitat for Humanity has shown that the building of homes does much more than put a roof over a families' head:

- * It provides stability for children;
- * Families enjoy improved health, physical safety, and security;
- * They enjoy increased educational and job prospects; and
- * They are more engaged in their communities.

Through Habitat's work, thousands of low-income families have found new hope in the form of affordable housing. Churches, community groups and others have all joined together to successfully tackle a significant social problem – decent housing for all.
