

# Lovely Lane *network* United Methodist Church

September 2020

## Vision Statement

We are here to reflect God's glory in our congregation, in our world, and in our hearts.

Forgiven by Christ, we forgive. Accepted by God, we accept.

Empowered by the Holy Spirit, we equip, enable, and inspire God's household to servant leadership.

## **New Beginnings**

The past few weeks in Cedar Rapids, Marion, and surrounding areas have been emotional and exhausting. We have come together to assist one another following the damaging storms that came through our communities.

Through it all, the best in people has come out. Folks have helped out one another. Sacrifices have been made. Appreciation has been given for the tireless efforts that have been put out. We will get through this.

The events follow a pattern we see all the time. As Father Richard Rohr shared in my recent morning devotions, the pattern is "Order, Disorder, Reorder." To say it another way, it is "Construction, Deconstruction, Reconstruction" or "Good News, Bad News, Good News." We are currently in a period of disorder or deconstruction. From previous experiences, we know that good news is around the corner. With help from God and others, and an extra amount of determination, we will come out on the other side stronger and better. This gives us hope.

The ongoing Gospel message is that new beginnings are right around the corner. No matter the circumstances, we have the promise of new life and fresh starts. "Go, take your place in the temple, and tell the people everything about this new life." (Acts 5:20, CEB)

*Peace & Blessings, Scott*

Bishop Laurie Haller and members of the Conference and National Communication teams came to Lovely Lane on August 28 to hear about our church's story following the derecho!

### From Our New Associate Pastor, Rev. Kristina Roth-Klinck

It seems like just yesterday that I wrote in the newsletter for August about the windstorm back in July when a tree limb fell down! Well, here we are again, with much bigger tree limbs and a much bigger windstorm! I know for many of us, we experienced great damage to our homes, garages, vehicles, yards, and our beloved trees. For many, we were without power for several weeks and without Internet, well after getting electricity back in our homes. In the midst of all of the damage of this natural disaster, I saw God at work.

God was working through neighbors that helped others get trees off their houses and clean up debris. God was working through local restaurants, stores, and organizations that provided free food for those affected by this storm. God was working through roofers and contractors who have helped repair homes. God was working through the electricians and energy companies who restored power safely and quickly, some coming from all over the country.

At St. Sallie's House, God was working through neighbors, friends, and family who helped get our tree off the roof, clear the driveway of a tree trunk, and wash our clothes, provide us with hot meals, and even a place to sleep when it got hot. We would not have been able to do everything without help. Around Cedar Rapids, I saw folks with chainsaws, walking the neighborhood to help others. Even when all seemed impossible, God was at work. God is always making a way out of no way.

Last month, I invited you to get to know the names of the four closest neighbors to you. I'm sure that many of you had the opportunity to meet your neighbors after the storm. This month, I invite you to write a thank you note to a neighbor. It can be really simple. Perhaps you might write a thank you note to a neighbor who has helped you clean up from the storm. Maybe you write a thank you note thanking your neighbor for their beautiful flowers or for always having a smile on their face. You might write a thank you note and invite them to your backyard for a socially distanced dessert. I look forward to hearing about all the connections and relationships you are continuing to make with your neighbors! Blessings, Pastor Kristina

## **Thank You’s**

**We would like to thank you** for all the support that you are continuing to give to Women at the Well Ministries! With all the transition in our midst, we are moving forward with the guidance of the Holy Spirit and in the “Grace Upon Grace” that we are receiving during this time of social movements that are transforming lives and helping us to see more clearly. As our awareness is expanded, we are expanding our ministry to fit new needs, while still maintaining our relationships and developing new ways to give voice to the Women at ICIW. ... We are keeping you in our prayers during this unsettling and yet spirit filled time. Please join us at Women at the Well Worship that is available at 7:00 PM on Thursday evenings on our Facebook page at: <https://www.facebook.com/WomenattheWellUMC/>. Pastors Beth Harbaugh & Paul Witmer

**Thank you** to the congregation for your support for student face mask making and providing for both Pierce and Johnson Elementary Schools. The school staff appreciate the volunteer efforts to keep our community safe. Amy Conyers

### **BLOOD DRIVE RESULTS** (E-mail to Lisa Taylor & Sue Moss, Health & Wholeness Co-Chairs):

Congrats on your second super-successful pandemic blood drive! Here are your results: 14 donors registered - 0 deferrals (awesome!) = **14 donations collected!!!!** Plus **1 first time donor** – hooray!

Our staff said it was an awesome day – great donor flow with no issues at all on our end! Thank you again for hosting this month – sticking with us not only through these insane pandemic times, but also through the storm aftermath. These last few weeks have been challenging, but I love seeing how much the city is coming together. It has been truly wonderful!

Looking ahead, we now know for sure that none of our school groups will be prepared to host with us this fall like they usually do, so this has become an even more critical time for the blood supply. We cannot thank you enough for going above and beyond in hosting again this year! We are still trying to add drives where ever we can to the calendar through the end of the year so let me know if you think your donors might be up to give again. Maybe in December before the holidays? If that is too much for you, I totally understand. Normally, I wouldn’t even ask, but we are trying to fill in so many gaps that the pandemic has created. We never thought this would carry over into the school year! Just let me know your thoughts.

Thanks so much for your unwavering support! You are amazing and I am lucky to be able to work with you both. You really overcame some hurdles to hold a wonderful drive! You hit your goal right on the head and will help **56 local patients**.

Have a wonderful rest of your summer! You are life savers and we couldn’t be more thankful for your support!

## **Please Help Our Neighbors!**

Hurricane Laura struck as a Category 4 hurricane and is now dropping rain inland in places already damaged by multiple spring and summer storms. On its wide and lengthy projected path through the country toward the Northeast, the storm will continue to cause damage and exacerbate living conditions for many as we all contend with staying safe and healthy during the pandemic.

**UMCOR-trained volunteers are already preparing to assist people in their community.** Your help is needed to provide the tangible items necessary for relief work including personal protection equipment that our volunteers will need to stay healthy.

Your gift, today, to U.S. Disaster Response will enable UMCOR to serve people impacted by the catastrophic wind, rain and fire events of this season. **We need your help, today.**

Gift cards are also being collected to distribute. Another way to participate is through the link for monetary donations on our church Facebook page. Thank you for your generosity!

## **UPDATE FROM HELPING HANDS & THE ECCF**

Devastation has been delivered to the Linn County area simultaneously from three directions – a pandemic to make us sick, the resulting recession that takes our jobs and businesses, and an inland hurricane to destroy our cities, homes, and trees.

As a result, anguished neighbors who have never needed help before now turn to our Helping Hands Ministry (HHM). We have ***never*** had to meet such epic challenges.

We recognize that many of our most reliable supporters are dealing with their own emergencies, and the generosity that we count on at the holidays is 4 mos. away. But, our clients' needs can't wait. Please consider a donation today. Your partnership will never be more valuable.

**Hope is at the door. Every dollar makes a vital difference.**

At ECCF, Helping Hands Ministry is operating by appointment only in order to follow healthy recommendations. Please let people know to call 319-366-2651 and leave a message to request financial assistance. If you have items to donate, please call.

Share our Facebook posts and www.ecc-cr.net. #NeighborsAVerb! Add this to bulletins and other news. We also need personal care items and volunteers to help us answer phones and to help people navigate resources.

With deepest gratitude for your generous support for neighbors in critical need,
